Curzon Media Group Limited
STRATEGIC REPORT

PRINCIPAL ACTIVITIES

On 8th November 2024 the company was acquired by Fortress Investment Group

On 5th March 2025 the company changed its name from Cohen Curzon Media Group Ltd to Curzon Media Group Ltd

The group is engaged in the sale and distribution of films to cinemas, retail and TV stations in the UK and Ireland through its Curzon Film World Limited subsidiary, as well as the exhibition of films at their cinemas, including cinemas owned and operated by Curzon Cinemas Limited, Chelsea Cinema Limited, Renoir Cinema Limited, Showcase Cinemas Limited, Curzon Cinemas (Victoria) Limited, Curzon Cinemas (Canterbury) Limited, Curzon Cinemas (Oxford) Limited, Curzon Cinemas South Limited and Curzon North Limited

REVIEW OF BUSINESS AND FUTURE DEVELOPMENTS

The group is engaged in developing new cinemas and continued to work on future cinema developments which are planned for opening in 2026 in Chelsea and Hammersmith

FUTURE DEVELOPMENTS

The group has also invested in new film rights and continues to maintain and expand its film library In March 2024 the group's Curzon Mayfair cinema lease expired and therefore the cinema is expected to close in December 2026 Curzon Canterbury Westgate and Curzon Sheffield closed in June 2026

KEY PERFORMANCE INDICATORS

The key performance indicators of the group are turnover, gross profit, operating profits and retained profits

In the year turnover was £32 5m vs 2024 £31 6m an increase of 3% The film distribution turnover was £4 4m down by 11% from £4 9m in 2024 largely due to having to major releases in 2024 (La Chimera and Kneecap) versus only one major release in 2025 (Flow) The cinema turnover was £28 4m up by 6% from £26 7m in 2024 mainly due to the success of key releases such as Bridget Jones Mad About The Boy, Wicked For Good and A Complete Unknown

Gross profit and gross profit margin were £22 8m / 70% up from £22 1m in 2024 / 70% which is due to the overall increase in turnover

Operating loss was £1 19m down by £0 18m from the 2024 loss of £1 37m due to the improvements in turnover

PRINCIPAL RISKS AND UNCERTAINTIES

Distribution

Despite taking prudent measures to avoid such an eventuality, there is always a risk that a film will not perform to the group's expectations This may be due to a weaker audience reaction than anticipated or the strong performance of a competitor's film

To mitigate the risk of underperformance, Curzon always canvasses opinion from film reviewers and cinema exhibitors in advance of a release In the event that feedback indicates that performance may differ from initial expectations, Curzon can adjust its marketing spend or the scale of the release accordingly Data from previous similar releases is analysed to ensure that expectations are in line with commercial realities, and release schedules are monitored regularly to ensure that the group avoids opening films on the same date as competing titles

Although film piracy is clearly a key risk for all content companies, the risk applies more to mainstream content distributors than it does to Curzon The films Curzon distributes are significantly less likely to be pirated than more mainstream, blockbuster films

The group's credit risk is primarily attributable to its film company trade debtors Credit risk is managed by running credit checks on new customers and by monitoring payments against contractual agreements

Docusign Envelope ID CD10724B-9FC6-8B2B-80A1-11CA59B901D1

Cinemas

Film distributor license terms

The terms on which Curzon can negotiate film distribution licenses for its cinemas are largely dependent on the relationships it has with film distributors Consolidation of competitors could weaken the bargaining position of the group and lead to a material adverse effect on revenues As a market leader for independent films, Curzon is partially shielded from such adverse effects, meaning consolidation of competing cinema operators is unlikely to have a material effect upon the terms the Company can negotiate

Box office revenue

A key driver for box office revenues is the popularity of films In addition to carefully monitoring the popularity of films before release, Curzon is somewhat protected from this market risk as its screens are of a relatively small size in comparison to other cinema operators As a result, Curzon does not require blockbuster hits to fill its cinemas Furthermore, Curzon's independent offering gives it a more stable level of admissions, as the films it shows are less susceptible than mainstream blockbusters to changes in tastes or the effects of poor reviews

Extreme weather and other exceptional events

The footfall to physical cinema venues can be materially impacted by extreme weather or exceptional sporting events Whilst it is unavoidable that some unexpected downturns will occur, Curzon budgets for seasonal declines in the summer and during high profile sporting events in order to mitigate this risk

Going concern

The group's business activities, together with the factors likely to affect its future development, performance and position are set out in the Strategic and Director's Reports The group has adequate cash resources with an undertaking from its owner to inject additional funding to fund the cashflow requirements As a consequence, the director believes that the group is well placed to manage its business risks successfully

The ownership of the group changed in November 2024 to Fortress Investment Group and the group has received a letter of support from Fortress Investment Group agreeing to not recall any existing loans for at least 12 months following approval of these financial statements Excluding the amounts due Fortress Investment Group, the balance sheet would be in a net asset position

The director has considered these risks and taken steps and actions she considers appropriate to minimise the associated impact These include, and are not limited to, preparation of business continuity plans, including risk assessment and readiness evaluations covering all business functions Regular communications have been made to staff and the Company's stakeholders to minimise disruption

The director has reviewed cash flow forecasts of the group and has a reasonable expectation that the group has adequate resources to continue in operational existence for the next 12 months Thus she continues to adopt the going concern basis of accounting in preparing the annual financial statements

SECTION 172 STATEMENT

Statement of Director's Duties to Stakeholders

The director has a duty to promote the success of the Company and preside over the group for the benefit of all stakeholders

The director is committed to developing and maintaining a governance framework that is appropriate to the business and supports effective decision making This is coupled with robust oversight of risks and internal controls

Engaging with our stakeholders

Our people

The Company is committed to being a progressive and modern employer We recognise that in order to succeed we need not only to attract diverse talent but to develop and retain this talent by giving our employees the opportunity to work in a diverse and creative environment where they can unleash their potential

Docusign Envelope ID CD10724B-9FC6-8B2B-80A1-11CA59B901D1

Our commitment is to provide a supportive, inclusive workplace, free from discrimination where everyone is treated equally, is given the support needed to perform well in their job, have healthy working relationships and a good work-life balance

Employee surveys, Inclusion and Diversity committee meetings and quarterly Listening Forums provide regular feedback to ensure ongoing adherence to this commitment We regularly monitor our diversity rates and prioritise applications from diverse backgrounds when recruiting for new roles We found that our cinema population offers us greater ethnic diversity and internal promotions have been a success over the last 18 months We expect that this approach will help us fill more senior roles in the future as we develop this talent

We have reviewed our onboarding process, where we ask new starters for their preferred gender pronoun and discuss specific mental health support which might be needed An unconscious bias training course will be delivered by the end of the year to all managers in charge of recruitment

On the development front, we hold quarterly and bi-annual reviews where managers check on employees' wellbeing and support needed

We are cognisant of the impact of work pressures on our people's mental wellbeing and strive to ensure a healthy work-life balance for all We have trained all our managers on the most common mental health conditions and our HR department provides support in dealing with absence, return to work and reasonable adjustments needed to support our employees We also partner with the Film TV Charity which provides free counselling By the end of the year, we plan to train mental health first aiders in our business to be equipped to direct people to the help and resources they may need, as well as offering formal flexible working arrangements to accommodate personal commitments For our office employees we have implemented a remote work policy which allows them to choose their preferred work location for most of the week and we have kept in place our flexible hours policy which gives them freedom to choose their start time between 8 00am and 10 00am Further flexibility is implemented for working parents and those with disabilities We are also partnering with Westminster council to offer work opportunities to people with learning disabilities

Our customers and clients

Curzon has long been committed to an 'audience first' philosophy which has natural benefits for both our customers and our clients The Curzon marketing strategy has been 'Community', and all our marketing plans are developed to nurture and deliver for our community of film lovers By placing the audience at the heart of everything we do, our strategy naturally reflects and champions diversity, and always delivers for both our customers and our clients who are connected by this love for film

Our Suppliers

It is the Company's policy to negotiate openly and fairly with suppliers, ensuring contracts are in place and purchase orders are provided detailing specific details to avoid the potential for dispute Payment terms are adhered to Positive supplier relationships, and wider third-party stakeholder relationships, is key to the success of the business whether within cost of sales to deliver client work or within administrative expenses to ensure ongoing business operations Business critical operational supplier contracts have been centralised into Curzon on multi-year contracts which has helped foster supplier relationships by providing commitment and cost efficiency for the business, while maintaining a degree of flexibility

Environment & Community

The Company strives to have a positive community impact through its operations Curzon is a brand that has stood the test of time, evolving to meet the demands of audiences and the fast changes of a dynamic film industry but the same thing drives us now as it always has – offering films that we believe are worth sharing, that spark conversations and stay with you long after the lights have come up

The director presents her report together with the audited financial statements for the year ended 31 December 2025

RESULTS

The statement of comprehensive income is set out on page 10 and shows the loss for the year

DIRECTOR

The following director has held office in the year

LRJ Ferguson

DIVIDENDS

The director does not recommend the payment of a dividend (2024 £nil)

MATTERS OF STRATEGIC IMPORTANCE

The principal activities, business review and future outlook, key performance indicators, and principal risks and uncertainties required by Schedule 7 of the Large and Medium-sized Companies and Groups (Accounts and Reports) Regulations 2008 has been included in the separate Strategic Report in accordance with section 414C(11) of the Companies Act 2006

POST BALANCE SHEET EVENTS

In June 2026 Curzon Canterbury Westgate and Curzon Sheffield closed

DISABLED EMPLOYEES

The Company employs disabled colleagues, and every effort is made to ensure that they are given full and fair consideration when suitable vacancies arise

EMPLOYEES

It is the Company's policy to ensure that no employee or job applicant is treated less favourably than another on the grounds of religion, sexual orientation, disability, race, creed, colour, nationality, ethnic or national origins, sex or marital status

Applications for employment by disabled persons are always fully considered bearing in mind the aptitudes of the applicant concerned In the event of members of staff becoming disabled every effort is made to ensure that their employment with the Company continues and that appropriate training is arranged It is the policy of the Company that the training, career development and promotion of disabled persons should, as far as possible, be identical with that of other employees

Continued close attention is paid to the health and safety of employees while at work and all employees are provided with appropriate training

DEVELOPMENT

Curzon believes that the ongoing training and development of staff is vital to ensure that we remain at the forefront of our field

Docusign Envelope ID CD10724B-9FC6-8B2B-80A1-11CA59B901D1

ENERGY AND CARBON

Curzon Group companies continue to adopt strong environmental governance through strategy, procurement and staff responsibility By communicating and engaging with employees, audiences and other key stakeholders on our environmental ambitions, activities and progress we aim to foster a sustainable culture – demonstrating and amplifying good practice and inspiring our community to action

EMISSIONS	2025 tCO2e	2024 tCO2e
Emissions Source		
Natural Gas (Scope 1)	63	93
Electricity (Scope 2)	696	686
Fuel for transport (employees only, Scope 3)	11	11
TOTAL tCO2e	769	790
Total Energy Usage (kWh)	3,528,300	3,565,134
Energy Intensity – CO2t per ft2	0 0037	0 0038

The EMA methodology has been used to calculate emissions in accordance with the GHG Reporting Protocol Corporate Accounting and Reporting Standard In the period the Company has continued to improve on emissions per square foot with procurement of 100% renewable energy supply while we work towards achieving year on year improvement in energy and water usage
Intensity reporting is reported by square foot of office and cinema space This ratio is deemed to be directly related to cinema business activity and provides a standardised way to compare energy performance across the different cinema and head office building types and sizes This ratio will allow the group to measure its energy efficiency over time and with similar organisations

STATEMENT AS TO DISCLOSURE OF INFORMATION TO THE AUDITOR

The director who was in office on the date of approval of these financial statements has confirmed that, as far as she is aware, there is no relevant audit information of which the auditor is unaware The director has confirmed that she has taken all the steps that she ought to have taken as director in order to make herself aware of any relevant audit information and to establish that it has been communicated to the auditor

AUDITOR

RSM UK Audit LLP have expressed their willingness to continue in office and a resolution to re-appoint them will be proposed at the annual general meeting

Curzon Media Group Limited
DIRECTOR'S RESPONSIBILITIES STATEMENT

The director is responsible for preparing the Strategic Report and the Director's Report and the financial statements in accordance with applicable law and regulations

Company law requires the director to prepare financial statements for each financial year Under that law the director has elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law) Under company law the director must not approve the financial statements unless she is satisfied that they give a true and fair view of the state of affairs of the group and the company and of the profit or loss for that period

In preparing these financial statements, the director is required to

a select suitable accounting policies and then apply them consistently,

b make judgements and accounting estimates that are reasonable and prudent,

c state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements,

d prepare the financial statements on the going concern basis unless it is inappropriate to presume that the group and company will continue in business

The director is responsible for keeping adequate accounting records that are sufficient to show and explain the group's and Company's transactions and disclose with reasonable accuracy at any time the financial position of the group and the Company and enable them to ensure that the financial statements comply with the Companies Act 2006 She is also responsible for safeguarding the assets of the group and the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities

Docusign Envelope ID CD10724B-9FC6-8B2B-80A1-11CA59B901D1

INDEPENDENT AUDITOR'S REPORT TO THE MEMBER OF CURZON MEDIA GROUP LIMITED

Opinion

We have audited the financial statements of Curzon Media Group Limited (the 'parent company') and its subsidiaries (the 'group') for the year ended 31 December 2025 which comprise the consolidated statement of comprehensive income, the consolidated and company statements of financial position, the consolidated and company statements of changes in equity and notes to the financial statements, including significant accounting policies The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice)

In our opinion, the financial statements

- give a true and fair view of the state of the group's and of the parent company's affairs as at 31 December 2025 and of the group's loss for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice,
- have been prepared in accordance with the requirements of the Companies Act 2006

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report We are independent of the group and parent company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the director's use of the going concern basis of accounting in the preparation of the financial statements is appropriate

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the group's or the parent company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue

Our responsibilities and the responsibilities of the director with respect to going concern are described in the relevant sections of this report

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon The director is responsible for the other information contained within the annual report Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact

We have nothing to report in this regard

INDEPENDENT AUDITOR'S REPORT TO THE MEMBER OF CURZON MEDIA GROUP LIMITED

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit

- the information given in the strategic report and the director's report for the financial year for which the financial statements are prepared is consistent with the financial statements, and
- the strategic report and the director's report have been prepared in accordance with applicable legal requirements

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the group and parent company and their environment obtained in the course of the audit, we have not identified material misstatements in the strategic report or the director's report

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept by the parent company, or returns adequate for our audit have not been received from branches not visited by us, or
- the parent company financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of director's remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit

Responsibilities of director

As explained more fully in the director's responsibilities statement set out on page 6, the director is responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the director determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error

In preparing the financial statements, the director is responsible for assessing the group's and the parent company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the director either intends to liquidate the group or the parent company or to cease operations, or has no realistic alternative but to do so

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements

The extent to which the audit was considered capable of detecting irregularities, including fraud

Irregularities are instances of non-compliance with laws and regulations The objectives of our audit are to obtain sufficient appropriate audit evidence regarding compliance with laws and regulations that have a direct effect on the determination of material amounts and disclosures in the financial statements, to perform audit procedures to help identify instances of non-compliance with other laws and regulations that may have a material effect on the financial statements, and to respond appropriately to identified or suspected non-compliance with laws and regulations identified during the audit

In relation to fraud, the objectives of our audit are to identify and assess the risk of material misstatement of the financial statements due to fraud, to obtain sufficient appropriate audit evidence regarding the assessed risks of material misstatement due to fraud through designing and implementing appropriate responses and to respond appropriately to fraud or suspected fraud identified during the audit

Docusign Envelope ID CD10724B-9FC6-8B2B-80A1-11CA59B901D1

However, it is the primary responsibility of management, with the oversight of those charged with governance, to ensure that the entity's operations are conducted in accordance with the provisions of laws and regulations and for the prevention and detection of fraud

In identifying and assessing risks of material misstatement in respect of irregularities, including fraud, the group audit engagement team

- obtained an understanding of the nature of the industry and sector, including the legal and regulatory framework that the group and parent company operates in and how the group and parent company are complying with the legal and regulatory framework,
- inquired of management, and those charged with governance, about their own identification and assessment of the risks of irregularities, including any known actual, suspected or alleged instances of fraud,
- discussed matters about non-compliance with laws and regulations and how fraud might occur including assessment of how and where the financial statements may be susceptible to fraud

As a result of these procedures we consider the most significant laws and regulations that have a direct impact on the financial statements are FRS 102, the Companies Act 2006 and tax compliance regulations We performed audit procedures to detect non-compliances which may have a material impact on the financial statements which included reviewing financial statement disclosures and evaluating advice received from external tax advisors

The group audit engagement team identified the risk of management override of controls and revenue cut off as the areas where the financial statements were most susceptible to material misstatement due to fraud Audit procedures performed included but were not limited to testing manual journal entries and other adjustments and evaluating the business rationale in relation to significant, unusual transactions and transactions entered into outside the normal course of business and challenging judgments and estimates applied Audit procedures for revenue cut off included testing transactions around the year end.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at http //www frc org uk/auditorsresponsibilities This description forms part of our auditor's report

Use of our report

This report is made solely to the company's member in accordance with Chapter 3 of Part 16 of the Companies Act 2006 Our audit work has been undertaken so that we might state to the company's member those matters we are required to state to them in an auditor's report and for no other purpose To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's member for our audit work, for this report, or for the opinions we have formed

1 ACCOUNTING POLICIES

Basis of accounting
The company was incorporated on 4th December 2019 Curzon Media Group Limited ("the Company") is a company limited by shares domiciled and incorporated in England

The address of the Company's registered office and principal place of business is 7th Floor, The Kodak, 11 Keeley Street, London, WC2B 4BA

The Group consists of Curzon Media Group Limited and all of its subsidiaries

The Group's principal activities and nature of the Group's operations is detailed in the Strategic Report

Basis of accounting
These financial statements have been prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the requirements of the Companies Act 2006, including the provisions of the Large and Medium-sized Companies and Groups (Accounts and Reports) Regulations 2008, and under the historical cost convention

The financial statements are presented in sterling which is the functional currency of the Company Monetary amounts in these financial statements are rounded to the nearest whole £1

Reduced disclosures
The accounts of the Company are consolidated within these financial statements In accordance with FRS 102, the Company has taken advantage of the exemptions from the following disclosure requirements,

- Section 7 'Statement of Cash Flows' – Presentation of a Statement of Cash Flow and related notes and disclosures
- Section 11 'Basic Financial Instruments' & Section 12 'Other Financial Instrument Issues' – Carrying amounts, interest income/expense and net gains/losses for each category of financial instrument, basis of determining fair values, details of collateral, loan defaults or breaches, details of hedges, hedging fair value changes recognised in profit or loss and in other comprehensive income
- Section 33 'Related Party Disclosures' – Compensation for key management personnel

Company statement of comprehensive income
As permitted by s408 Companies Act 2006, the Company has not presented its own statement of comprehensive income The Company's comprehensive loss for the year was £235,033 (2024 £352,084)

Basis of consolidation
The consolidated financial statements incorporate those of Curzon Media Group Limited and all of its subsidiaries (i e entities that the Group controls through its power to govern the financial and operating policies so as to obtain economic benefits) Subsidiaries acquired are consolidated using the purchase method and their results are incorporated from the date that control passes All financial statements are made up to 31 December 2025

All intra-group transactions, balances and unrealised gains on transactions between group companies are eliminated on consolidation Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred

Where necessary, adjustments are made to the financial statements of subsidiaries to bring the accounting policies used into line with those used by other members of the Group

The cost of a business combination is the fair value at the acquisition date, of the assets given, equity instruments issued and liabilities incurred or assumed, plus directly attributable costs

The excess of the cost of a business combination over the fair value of the identifiable assets, liabilities and contingent liabilities acquired is recognised as goodwill

Docusign Envelope ID CD10724B-9FC6-8B2B-80A1-11CA59B901D1

Going concern
The group's business activities, together with the factors likely to affect its future development, performance and position are set out in the Strategic and Director's Reports The group has adequate cash resources with an undertaking from its owner to inject additional funding to fund the ongoing expansion of the cinemas As a consequence, the director believes that the group is well placed to manage its business risks successfully

The group was acquired by Fortress Investment Group on 8th November 2024 and has received a letter of support from them agreeing to not recall any existing loans for at least 12 months following approval of these financial statements

The director has considered risks and taken steps and actions she considers appropriate to minimise the associated impact These include, and are not limited to, preparation of business continuity plans, including risk assessment and readiness evaluations covering all business functions Regular communications have been made to staff and the Group's stakeholders to minimise disruption

The director has reviewed cash flow forecasts of the group and have a reasonable expectation that the group has adequate resources to continue in operational existence for the 12 months from the date of signing of the accounts Thus she continues to adopt the going concern basis of accounting in preparing the annual financial statements

Foreign currency
Transactions in currencies other than the functional currency (foreign currencies) are initially recorded at the exchange rate prevailing on the date of the transaction

Monetary assets and liabilities denominated in foreign currencies are translated at the rate of exchange ruling at the reporting date Non-monetary assets and liabilities denominated in foreign currencies are translated at the rate ruling at the date of the transaction or, if the asset or liability is measured at fair value, the rate when that fair value was determined

All translation differences are taken to profit or loss, except to the extent that they relate to gains or losses on non-monetary items recognised in other comprehensive income, when the related translation gain or loss is also recognised in other comprehensive income

Film sales and distribution revenue
Turnover is recognised at the fair value of the consideration received or receivable for the exploitation of film and television rights to external customers in the ordinary nature of the business Turnover is shown net of Value Added Tax

Cinema revenue
Turnover is recognised at the fair value of the consideration received or receivable for sale of goods and services to external customers in the ordinary nature of the business Revenue includes ticket sales, concession sales and screen advertising income Ticket sales are recognised as the film is shown Concession revenue is recognised at the point of sale Advertising and other revenues are recognised in the period in which they relate Turnover is shown net of Value Added Tax

Grant income
Grants received relating to film and cinema activities are recognised within turnover While receipt of a grant is dependent on the satisfaction of specific criteria, only when such conditions have been met is income recognised in the profit and loss account

Other government grants are recognised in other operating income at the fair value of the asset received or receivable when there is reasonable assurance that the grant conditions will be met and the grants will be received

Royalty income
Royalty income is recognised on an accruals basis and is presented within turnover

Intangible fixed assets - Goodwill
Goodwill arising on an acquisition of a trade or subsidiary undertaking is the difference between the fair

Docusign Envelope ID CD10724B-9FC6-8B2B-80A1-11CA59B901D1

value of the consideration paid and the fair value of the assets and liabilities acquired
Goodwill is capitalised and amortised over 10 years

Intangible fixed assets - Other
Intangible assets purchased other than in a business combination are recognised when future economic benefits are probable and the cost or value of the asset can be measured reliably

Intangible assets are initially recognised at cost and are subsequently measured at cost less accumulated amortisation and accumulated impairment losses

Amortisation is provided to write off the cost or valuation of the asset, less estimated residual values, evenly over their expected useful lives

The film library is a collection of films for which the group has acquired the rights of distribution The group earns revenues from the royalties earned through sales for periods ranging up to fifteen years On acquisition, the film library was valued using a discounted cash flow basis and subsequently measured at cost less accumulated amortisation and accumulated impairment losses The amortisation of the intangible asset commences from the cinema release date of the film

Amortisation is calculated at the following rates

Film library - 6 years straight line
Purchased computer software – 5 years straight line

Amortisation is revised prospectively for any significant change in useful life or residual value

Tangible fixed assets
Tangible fixed assets are initially measured at cost and subsequently measured at cost net of depreciation and any impairment losses

Depreciation is provided to write off the cost, less estimated residual values, of all tangible fixed assets over their expected useful lives It is calculated at the following rates

Leasehold property	- Over the life of the lease
Fixtures and fittings	- 4 to 10 years straight line
Office equipment	- 4 to 7 years straight line
Film prints	- 5 years straight line

Residual value is calculated on prices prevailing at the reporting date, after estimated costs of disposal, for the asset as if it were at the age and in the condition expected at the end of its useful life

Impairment of fixed assets
An assessment is made at each reporting date of whether there are indications that a fixed asset may be impaired or that an impairment loss previously recognised has fully or partially reversed If such indications exist, the Group estimates the recoverable amount of the asset or, for goodwill, the recoverable amount of the cash-generating unit to which the goodwill belongs

Shortfalls between the carrying value of fixed assets and their recoverable amounts, being the higher of fair value less costs to sell and value-in-use, are recognised as impairment losses Impairments of revalued assets are treated as a revaluation loss All other impairment losses are recognised in profit or loss

Recognised impairment losses are reversed if, and only if, the reasons for the impairment loss have ceased to apply Reversals of impairment losses are recognised in profit or loss On reversal of an impairment loss, the depreciation or amortisation is adjusted to allocate the asset's revised carrying amount (less any residual value) over its remaining useful life

The carrying amount of the investments accounted for using the equity method is tested for impairment as a single asset Any goodwill included in the carrying amount of the investment is not tested separately for impairment

Docusign Envelope ID CD10724B-9FC6-8B2B-80A1-11CA59B901D1

Fixed asset investments
In the separate accounts of the Company, interests in subsidiaries, associates and jointly controlled entities are initially measured at cost and subsequently measured at cost less any accumulated impairment losses

Interests in subsidiaries, associates and jointly controlled entities are assessed for impairment at each reporting date Any impairments losses or reversals of impairment losses are recognised immediately in profit or loss

Associates
Undertakings in which the Group has significant influence (i e the power to participate in the financial and operating policy decisions but not control or joint control over those policies) are classified as associates The Group's share of the results, other comprehensive income and equity of associates are accounted for using the equity method based on the associate's financial statements to 31 December

Any difference between the cost of acquisition and the share of the fair value of the net identifiable assets of the associate on acquisition is recognised as goodwill

All unrealised profit or losses on transactions with the associate are eliminated to the extent of the Group's interest, except where unrealised losses provide evidence of an impairment Where necessary, adjustments are made to bring the accounting policies of the associate into line with those used by the Group

Losses in an associate that reduce the carrying amount of the investment in the associate to below zero are not recognised, but a provision is recognised to the extent that the Group has an obligation or has made payments on behalf of the associate

Stocks
Stocks are valued at the lower of cost and net realisable value Cost is based on the cost of purchase on a first in, first out basis Net realisable value is based on estimated selling price less additional costs to completion and disposal

At each reporting date, the Group assesses whether stocks are impaired or if an impairment loss recognised in prior periods has reversed Any excess of the carrying amount of stock over its estimated selling price less costs to complete and sell is recognised as an impairment loss in profit or loss

Reversals of impairment losses are also recognised in profit or loss

Stocks held for distribution at no or nominal consideration are measured at cost, adjusted where applicable for any loss of service potential, i e benefits expected from use or sale of the stock

Taxation
The tax expense represents the sum of the current tax expense and deferred tax expense Current tax assets are recognised when tax paid exceeds the tax payable

Current tax is based on taxable profit for the year Current tax assets and liabilities are measured using tax rates that have been enacted or substantively enacted by the reporting date

Deferred tax is calculated at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled based on tax rates that have been enacted or substantively enacted by the reporting date

Deferred tax liabilities are recognised in respect of all timing differences that exist at the reporting date Timing differences are differences between taxable profits and total comprehensive income that arise from the inclusion of income and expenses in tax assessments in different periods from their recognition in the financial statements Deferred tax assets are recognised only to the extent that it is probable that they will be recovered by the reversal of deferred tax liabilities or other future taxable profits

Deferred tax is recognised on income or expenses from subsidiaries, associates, branches and interests in jointly controlled entities, that will be assessed to or allow for tax in a future period except where the

Docusign Envelope ID CD10724B-9FC6-8B2B-80A1-11CA59B901D1

Group is able to control the reversal of the timing difference and it is probable that the timing difference will not reverse in the foreseeable future

Deferred tax is recognised on differences between the value of assets (other than goodwill) and liabilities recognised in a business combination and the amounts that can be deducted or assessed for tax The deferred tax recognised is adjusted against goodwill

Current and deferred tax is charged or credited in profit or loss, except when it relates to items charged or credited to other comprehensive income or equity, when the tax follows the transaction or event it relates to and is also charged or credited to other comprehensive income, or equity

Current tax assets and current tax liabilities and deferred tax assets and deferred tax liabilities are offset, if and only if, there is a legally enforceable right to set off the amounts and the entity intends either to settle on a net basis or to realise the asset and settle the liability simultaneously

Operating leases
Operating lease rentals are charged to profit or loss on a straight line basis over the lease term

Rent free periods or other incentives received for entering into an operating lease are accounted for as a reduction to the expense and are recognised, on a straight-line basis over the lease term

Employee benefits
The costs of short-term employee benefits are recognised as a liability and an expense, unless those costs are required to be recognised as part of the cost of stock or are capitalised as an intangible fixed asset or a tangible fixed asset

The best estimate of the expenditure required to settle an obligation for termination benefits is recognised immediately as an expense when the Group is demonstrably committed to terminate the employment of an employee or to provide termination benefits

Retirement benefits - Defined contribution plans
For defined contribution schemes the amount charged to profit or loss is the contributions payable in the year Differences between contributions payable in the year and contributions actually paid are shown as either accruals or prepayments

Cash and cash equivalents
Cash and cash equivalents include cash in hand, deposits held at call with banks, and other short-term liquid investments with original maturities of three months or less

Financial assets
The Group has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments

Financial assets are recognised in the Group's statement of financial position when the Group becomes party to the contractual provisions of the instrument
Financial assets are classified into either basic or other financial assets The classification depends on certain criteria determined at the time of recognition

Basic financial assets
Basic financial assets, which include trade and other debtors, cash and bank balances and amounts due from related parties are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method, unless the arrangement constitutes a financing transaction, where the transaction is initially measured at the present value of the future receipts discounted at a market rate of interest and subsequently held at amortised cost

Other financial assets
Financial assets classified as other financial assets are stated at fair value with any gains or losses arising on remeasurement recognised in profit or loss The net gain or loss recognised in profit or loss includes any dividend or interest earned on the financial asset

Docusign Envelope ID CD10724B-9FC6-8B2B-80A1-11CA59B901D1

Impairment of financial assets
Financial assets, other than those held at fair value through profit and loss, are assessed for indicators of impairment at each reporting end date

Financial assets are impaired where there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows have been affected The impairment loss is recognised in profit or loss

Derecognition of financial assets
Financial assets are derecognised only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership to another entity

Financial liabilities
Financial liabilities are classified as either basic or other financial liabilities

Basic financial liabilities
Basic financial liabilities, including trade and other payables, amounts owed to related parties and loan notes payable after more than one year, are initially measured at transaction price, unless the arrangement constitutes a financing transaction where the debt instrument is measured at the present value of the future receipts discounted at a market rate of interest They are subsequently measured at amortised cost using the effective interest method, with interest expense recognised on an effective yield basis

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period The effective interest rate is the rate that exactly discounts estimated future cash payments through the expected life of the financial liability to the net carrying amount on initial recognition

Other financial liabilities
Financial liabilities classified as other financial liabilities are stated at fair value with any gains or losses arising on remeasurement recognised in profit or loss

Derecognition of financial liabilities
Financial liabilities are derecognised when, and only when, the Group's obligations are discharged, cancelled, or they expire

2 CRITICAL ACCOUNTING ESTIMATES AND JUDGEMENTS

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances

Critical accounting estimates and assumptions
The group makes estimates and assumptions concerning the future The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below

Carrying value of the film library
Financial and non-financial assets are subject to impairment reviews based on whether current or future events and circumstances suggest that their recoverable amount may be less than their carrying value Recoverable amount is based on the higher of the value in use and fair value less costs to dispose Value in use is calculated from expected future cash flows using suitable discount rates and includes management assumptions and estimates of future performance

Carrying value of goodwill
Goodwill is subject to impairment review based on whether current or future events and circumstances suggest that the recoverable amount may be less than the carrying value Recoverable amount is based on the higher of the value in use and fair value less costs to dispose Value in use is calculated from

Docusign Envelope ID CD10724B-9FC6-8B2B-80A1-11CA59B901D1

expected future cash flows using suitable discount rates and includes management assumptions and estimates of future performance

Leases
In categorising leases as finance leases or operating leases, management makes judgements as to whether significant risks and rewards of ownership have transferred to the group as lessee, or the lessee, where the group is a lessor

3 TURNOVER	2025	2024
	£	£
An analysis of the Group's turnover by class of business is as follows		
Film sales and distribution	4,181,372	4,911,061
Cinemas	28,365,312	26,686,887
	32,546,684	31,597,948

All turnover arises in the UK

4 INTEREST RECEIVABLE AND SIMILAR INCOME	2025	2024
	£	£
Interest on bank deposits	8,328	4,297
	8,328	4,297

5 INTEREST PAYABLE AND SIMILAR CHARGES	2025	2024
