Strategic Report

Business review

Odeon Cinemas Limited ("the Company") operates under the ODEON brand as one part of the wider Odeon UK Group ("the UK Group") which is a market leader in the UK operating 103 cinemas with 854 screens at the year-end date. It also forms a major part of Odeon Cinemas Group, Europe's largest cinema exhibitor, operating in ten countries.

Main market attendance

Attendance figures for the entire market (source DCM – the market leader in cinema advertising):

Market Attendance (millions)	2023	2024	2025	*2024 vs 2025*
UK	123.6	126.5	123.5	*(3.0)*

Investment

Consistent with the UK Group's ongoing focus on maintaining and enhancing the guest experience, the business continued to invest in the estate during 2025. Capital additions totalled £26.7m *(2024: £19.4m)*, primarily relating to investment in existing sites, targeted revenue-generating initiatives and essential capital maintenance.

Financial results and KPIs

Turnover for the year was up 4.8% at £221.2m *(2024: £211.0m)*, an operating loss pre-exceptional items was reported of £29.1m *(2024: £17.9m loss)* and the loss after taxation for the year was £52.5m *(2024: £47.7m loss)*. Shareholders' funds at the end of the current year was £27.3m (*2024: £15.6m deficit*).

The business is managed on a combined basis with KPIs measured on the wider UK Group rather than at an individual entity level. Included below are the KPIs for Odeon Cinemas Limited (the "Company") regarding attendance, average ticket price and food & beverage spend per person.

	2025	2024
Attendance	**15,488,038**	**15,522,313**
Average Ticket Price	**£8.15**	**£7.73**
Food & Beverage Spend Per Person	**£4.15**	**£4.18**

Going concern and liquidity management

Liquidity management is performed on a group-wide basis for Odeon Cinemas Group ("the Group"), of which the Company is a member, by regularly forecasting and assessing the cashflows of the Group on a country-by-country basis and maximising the cash that is available, whilst complying with any related local legal or regulatory requirements.

Odeon Cinemas Group Limited ("OCGL"), an indirect parent of the Company, acts as the treasury company of the Group and makes financing available to the subsidiaries of the Group via intercompany loan facility agreements and/or capital contributions. To enable this, OCGL obtains financing from Finco, its direct subsidiary, and from AMC EMEA, a subsidiary of the ultimate parent company, AMC.

The Directors have prepared Group cash flow forecasts for the period to 31 July 2027 (the "Review Period"), including scenarios that consider severe but plausible downsides and covenant compliance throughout the Review Period. These forecasts indicate that the Group will continue to be reliant on funding from AMC for the Review Period.

OCGL and all subsidiaries within the Group including the Company, have received a letter of support from AMC which confirms that AMC has the ability to and will provide the financial support required for the Group to meet its liabilities as and when they fall due for the period to 31 July 2027.

Strategic Report *(continued)*

Going concern and liquidity management *(continued)*

In forming their conclusion, the Directors have also reviewed the cashflow forecasts and going concern evaluation of AMC for the Review Period and are comfortable, based on this information, that it is reasonable to expect that AMC will be able to meet its obligations as they become due within the Review Period.

On this basis, the Directors have a reasonable expectation that the support from AMC will continue to be available for the Review Period. Accordingly, the Directors have prepared the financial statements on the going concern basis.

Principal risks and risk management

Cinema is a well-established and popular out of home leisure activity.

The principal risk facing the business is a reduction in attendance levels. This is affected by factors including competition, film production and film release. The Company mitigates this risk through our strategies to create inspiring entertainment experiences for every guest, drive attendance and loyalty, as well as strategically managing a direct relationship between attendance levels, film costs, and fixed costs.

Foreign exchange rate fluctuations represent a potential risk. However, the majority of the UK Group revenues and costs arise in GBP which provides a natural hedge. Where significant purchases are necessary in a foreign currency, exchange rate hedging contracts are used to manage the risk.

The conflicts in Ukraine and the Middle East do not currently have a direct impact on the Company.

Cost of living pressures, driven by higher inflation, continue for many consumers which could adversely impact demand. However, cinema remains relatively inexpensive compared to other out-of-home leisure options. Indeed, in the post-pandemic period, audiences have returned to cinemas in large numbers when new films have been released; and they continue to do so despite these cost of living pressures. Naturally, the business also faces cost increases linked to higher inflation. The UK Group will continue to monitor the situation and make informed decisions with a view to maintaining a balance between costs and revenues.

Corporate Governance

Please see the Company's Corporate Governance Report for its section 172 Statement.

Climate change

Climate change is not deemed to present a direct risk to the Company. The risk of climate change on the operations of the Group is disclosed within the 'Operational Risks' section of the Form 10-K of AMC.

Future prospects

The UK Group will continue to invest in its existing portfolio of sites and seek new opportunities. This strategy will be driven by the cash generation of our business and will be contingent on maintaining adequate liquidity as well as a required return threshold.

Directors' Report

The directors present their report and the audited financial statements for the year ended 31 December 2025.

Principal activity

The principal activity of the Company is the operation of cinemas under the ODEON brand.

Directors
The following were directors of the Company during the year and up to the date of this report:

AS Alker
MJ Way
SK Welch
NJ Williams
CA Cox (appointed 24 February 2026)
SD Goodman (appointed 24 February 2026)

Ownership

Odeon Cinemas Holdings Limited is the immediate parent undertaking of the Company.

AMC Entertainment Holdings, Inc., a company incorporated in the United States of America and listed on the New York Stock Exchange (NYSE:AMC), is the ultimate parent undertaking of the Company. No one entity or individual has control of, or significant influence over, AMC Entertainment Holdings, Inc.

Directors' indemnities

Third party indemnity provisions for the benefit of the directors were made during the year and remain in force at the date of this report.

Share Capital

On 18 December 2025, the Company issued 10 ordinary shares of £1 each, together with share premium, in exchange for the assignment of intercompany debt totalling £95.0m.

Proposed dividends

The directors do not recommend the payment of a dividend *(2024: £nil)*.

Employee involvement

Employment headcount in the Company increased 2.1% to 2,842 in 2025 compared to 2,783 in 2024 (average number of employees, including part time employees). Meetings are held on a regular basis with employees to review attendance, film slate, financial and operating performance. Information is cascaded from senior management teams to cinema teams. There is an annual cinema manager conference and more frequent regional meetings. There is opportunity at these meetings for managers to be questioned about matters which concern the employees.

Employment of disabled persons

Full and fair consideration is given to applications for employment made by disabled persons, having regard to their particular aptitudes and abilities. Wherever possible the employment of members of staff who become disabled will be continued under normal terms and conditions and appropriate training and career development will be offered.

Health and safety

The policy of the Company is to endeavour at all times to achieve the highest standards of health, safety and welfare for its employees, customers and other visitors. To this end, clearly defined policies, procedures, roles and responsibilities are in place, and supervision, instruction, information and appropriate training are provided. A full management system including monitoring of safety standards, independent audits and review of all key findings by senior management is in place. The system has been independently reviewed to ensure compliance with the relevant standards.

Directors' Report *(continued)*

Environment

The Company continues to take steps to reduce its impact on the environment and remains committed to doing so. In 2025, the Odeon UK Group completed the installation of a smart control system to facilitate remote optimisation of their cinema HVAC systems that accounts for the largest portion of total energy consumption. Together with an ongoing staff engagement initiative to empower cinema teams into taking action, the UK Group has continued to improve its energy performance, reducing both gas and electricity consumption. In 2025, the UK Group also completed the measurement of the group's annual carbon emissions to help identify carbon hotspots and focus areas for reducing the environmental impact from its business operations and supply chain. Waste reduction, recycling and low-carbon packaging continued to be a priority with the introduction of further recycling bin stations and improved waste separation.

Streamlined Energy and Carbon Reporting

	2025	2024
UK energy use (GWh) [1]	74.045	73.346
Associated Greenhouse gas emissions (tCO_2e) [2]	13,378	14,334
Intensity ratio – Emissions per £million Revenue (tCO_2e/£millions)	60.47	67.9

[1] UK energy use includes gas, electric and transport usage across all activities of the Company. To calculate GWh, total KWh is divided by a million.

[2] Greenhouse gas emissions are calculated by converting the usage data for each activity into emissions figures using methodology approved by the Carbon Trust.

Financial Instrument Risk

The Company finances its activities through a combination of reinvestment of cash generated and credit provided by fellow group undertakings. Financial instruments such as cash, trade debtors and trade creditors arise directly from the Company's operating activities. Any risks associated with financial instruments are managed and reviewed at a UK Group level rather than at an individual entity level.

Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting its obligations associated with financial liabilities. The Company manages this risk via cash generation from its operations, reinvestment of cash generated and credit facilities made available by fellow group undertakings.

Credit Risk

Credit risk is the risk that counterparties to the Company will fail to honour their financial obligations. The nature of operations for the Company means that trade debtors are predominantly short-term with normal credit terms. The Company's exposure to credit risk is diluted across a large number of counterparties and customers, with no single significant debtor.

Competitive and market risk

The principal risk facing the business is a reduction in attendance levels. This is affected by factors including competition, film production and film release. The Company mitigates this risk through our strategies to create inspiring entertainment experiences for every guest, drive attendance and loyalty, as well as strategically managing a direct relationship between attendance levels, film costs, and fixed costs.

Directors' Report *(continued)*

Post balance sheet events

On 17 April 2026, the Company entered into guarantee and security arrangements in support of new group financing facilities. The guarantees and security provided are consistent in nature with those in place under the previous financing arrangements.

Disclosure of information to auditor

The directors who held office at the date of approval of this Directors' Report confirm that, so far as they are each aware, there is no relevant audit information of which the Company's auditor is unaware and each director has taken all the steps that they ought to have taken as a director to make themselves aware of any relevant audit information and to establish that the Company's auditor is aware of that information.

Auditor

Pursuant to section 487 of the Companies Act 2006, the auditor will be deemed to be reappointed and Ernst & Young LLP ("EY") will therefore continue in office.

Corporate Governance Report

For the year ended 31 December 2025, under The Companies (Miscellaneous Reporting) Regulations 2018, Odeon Cinemas Group Limited and its UK subsidiaries, including Odeon Cinemas Limited (the "Group") has applied the Wates Corporate Governance Principles for Large Private Companies (published by the Financial Reporting Council in December 2018) (the "Principles").

Set out below are details on how the Principles were applied during the financial year.

Principle 1 – Purpose and Leadership

Leadership and oversight of the Group's purpose, values and strategy are provided by the Group Executive Committee (ExCo), which regularly reviews progress against the Business Plan and ensures alignment across the business.

The Group's values — **Fun & Passion; Quality & Service; Trust & Respect; and Co-operation & Accountability** — sit at the heart of how we operate and shape our culture across cinemas and support offices. They are actively promoted to ensure they remain embedded at all levels of the business.

Our purpose, **"We Make Movies Better"**, reflects our ambition to deliver world-class cinema experiences for our guests and rewarding careers for our people across Europe, supported by continued investment in our cinemas, technology and digital platforms.

Our mission is to be Europe's leading cinema group, where passionate people, guest focus and innovation deliver profitable growth. This mission is delivered through the Group's Business Plan, structured around three connected pillars:

- **Strengthen Our Market Position** – growing audiences and reinforcing leadership across our markets.
- **Elevate the Guest Experience** – delivering memorable, high-quality cinema experiences through innovation and service excellence.
- **Achieve High Performance Together** – fostering a collaborative, accountable culture that supports a resilient and sustainable business.

The Group maintains a robust policy framework, including anti-bribery, anti-corruption and travel and expenses policies, which are reviewed periodically with oversight from the Policy Committee. Clear governance arrangements are in place, including delegated authorities and reserved matters at Group majority shareholder level.

Principle 2 - Board Composition

The Board of the parent company of the Group comprises five directors: a Managing Director, a Chief Finance Director and three shareholder representatives who act as supervisory directors. The global majority shareholder of the Group has non-executive directors on its Board and is subject to Sarbanes-Oxley ("SOx") control measures and audit requirements.

The Board members have extensive combined experience of managing businesses and the expertise of the Board covers operational and functional elements of the Group. The Board regularly reviews its corporate governance procedures and looks for ways to improve them, as demonstrated by the adoption and implementation of the Principles

The Group has a recruitment process which we apply in relation to the Board. Any proposed appointments are supported by a final sign off from the global majority shareholder. Throughout the selection process, due consideration is always given to the diversity and skill set those individuals can contribute to the Group.

The Board is provided with training on key areas, such as health & safety, crisis management and GDPR.

Corporate Governance Report *(continued)*

The Group has delegated authority levels in place which are communicated throughout the organisation, including in relation to recruitment and pay reviews, which are delegated to Managing Director / Chief Finance Director / departmental heads (as applicable). The Group delegation of authority policy sets out the approval limits including (without limitation) the cut off between (i) approvals permitted within the UK and (ii) those which require shareholder consent. The delegation of authority policy is reviewed on (at least) an annual basis and communicated to relevant colleagues.

Principle 3 – Director Responsibilities

Each Board member has a clear understanding of their accountability and responsibilities. In addition, regular updates are shared on specific subjects to increase their knowledge and understanding.

All directors make declarations about any potential conflicts of interest at Board meetings.

The directors receive regular and timely information to allow them to undertake proper evaluation and to sufficiently prepare for meetings. Key information is prepared by the relevant internal function and those colleagues who produce documents and information for the Board are appropriately qualified and have sufficient time to prepare, challenge and assess the information prior to submission. Performance and development review conversations are carried out regularly with colleagues, so that any issues in relation to information being provided may be discussed at this time.

The Group also has an internal audit function in place.

Principle 4 – Opportunity and Risk

The Board seeks out opportunities through its strategic review process whilst appropriately mitigating risk.

The Group takes a decentralised view on risk, in that risk is managed appropriately by all colleagues in the work that they carry out.

The Global Internal Audit team complete an annual risk assessment process which receives input from the senior leadership of the business across the Group. The risks identified are scored against a consistent framework and ranked based on their score. The results are presented to the Group Executive Committee, the Audit Committee and leadership of the Group's global majority shareholder. This assessment is used to determine the Global Internal Audit Plan.

The Group has a delegation of authority policy in place to ensure that the appropriate level of diligence has been performed in understanding the obligations, risks, values and terms of any contracts entered into. In 2025, the business continued to provide all colleagues access to guidance, videos, templates, policies and key information/messages through various communication channels. In 2025, we continued to use the developed risk assessment form, which is required to be completed by contract owners within the business, in advance of contracts being signed. Completion of the form allows for risk factors to be considered and assessed against a scoring matrix. Once completed, the form needs to be approved by the managing director of the territory to which it relates, in advance of signature. If the risk score is high, further internal review is carried out in order to assess whether or not it is appropriate for the contract to be signed. The SOx control measures in place across the Group also provide an additional layer of internal corporate governance controls.

Corporate Governance Report *(continued)*

Principle 5 – Remuneration

Senior management remuneration is determined in accordance with the Compensation Committee Charter of the global majority shareholder and by its Compensation Committee. Our total reward framework goes beyond pay to enhance the colleague experience and deliver our reward promises. It brings together pay, benefits, wellbeing, recognition and development to drive motivation, engagement and performance, while supporting the sustainable success of the business.

Individual annual pay reviews are undertaken for salaried roles. Such reviews are performance based and benchmarked against the market to ensure that they are appropriate. Regarding annual general pay increases, these are benchmarked against the Consumer Price Index in each country or determined by national collective bargaining agreements and are approved by the Group's global majority shareholder.

The Group has banding levels in place for operational staff and offers local incentives to encourage the whole work force. This supports processes in place within the Group for opportunity and career development plans. Short-term bonus schemes and long-term bonus plans are in place for senior management, which are assessed and approved at shareholder level. Local executives consider engagement and long-term and short-term aims of all colleagues when putting incentives forward for shareholder approval.

Whilst the Group is only required to submit pay assessment reports in some countries we operate in for legal compliance, the Group does review pay approaches across all countries as good standard practice. In the UK, the Group carries out monthly National Minimum Wage audits, reviews holiday pay processes and carries out a gender pay assessment regularly. The most recent Gender Pay Gap reports for the UK and Ireland are published on the Group's website. The Group also complies with an equal opportunities policy.

Remuneration processes are continually reviewed and assessed by the Board and the Compensation Committee of the global majority shareholder (which meets at least twice per year). Aligning the Group's remuneration structures with its long-term sustainable success is an aim and a focus for the Group.

Principle 6 – Stakeholders

The Board promotes accountability and transparency with all internal and external stakeholders and is constantly looking to improve engagement with all stakeholders.

The strategic focus of the Group is centred on our guests and colleagues – knowing that the secret to looking after our guests is looking after our people. Following on from the completion of our listening survey, the results are reviewed by leaders across the business and action planning takes place at all levels, including local teams to ensure the consistency in approach.

The Group has continued to put increased emphasis on its 'Our Incredible Differences' programme, launched in 2017, which promotes equity, inclusion and diversity, and the 'Be Well' programme which encourages colleagues to be mindful about their mental and physical wellbeing and encourages activities to help support it.

Communication with colleagues is carried out in a wide variety of ways via multiple channels – intranet, email, briefings, phone apps, notice boards, letters, conferences and regular team meetings are held across the Group. Colleagues with work email addresses can use the tools in the M365 suite such as video calling, Teams and instant messaging for collaboration and communication. In 2025, we launched Spotlight (internal social media platform) open to all colleagues and helps to promote colleague engagement, communication, and connection across the whole Group. An online policy hub includes all new and updated policies, and notifications are sent to appropriate colleagues informing them of any changes to policies and requesting confirmation they have read and understood them.

Corporate Governance Report *(continued)*

The Group is also dedicated to ensuring that all guests have the opportunity to be heard, as the Group measures guest overall satisfaction through the internally developed Shine Program.

The Group maintains a whistle-blowing helpline, provided by an external organisation, which was put in place in 2021. This is one of the ways in which the Group is taking steps to look after our people and our business, improve stakeholder engagement and corporate governance procedures.

The Group is committed to workforce training and development. Colleagues at all levels have an annual performance review with regular check ins and a personal development plan. Performance management criteria include behaviours aligned with the Group's values. Regular training is carried out as needed in various roles, supported by training or learning activities undertaken through each colleague's own development plan. The Group's values are woven explicitly into the Group's employment policies and procedures.

In 2025, the 'Incredible Leadership' programme continued work. This programme was launched in 2022 introducing a new framework and development programme to support the continued development of the Senior Leadership Team across the Group. The aim of this programme is that it will be rolled out across more leaders over the coming years and support a focus on future leadership requirements for the business.

The Group continues to strive to comply with the Prompt Payment Code when dealing with suppliers and engages with customers via direct interaction with guests in cinemas, as well as through our guest relations teams in some territories.

The Group has continued its focus on reducing its environmental emissions footprint with reporting systems and operational practices; resulting in lower overall levels of consumption in electricity, gas and their associated GHG emissions.

Waste reduction, recycling and low-carbon packaging continue to be priorities with repurposed recycling bins and trials of reusable cups and compostable nacho trays, targeting some of our largest volume food and beverage packaging. In 2025, the Group continued work with a focus on how we can make an impact locally around our Incredible Together pillars – Our Planet, Our People and Our Communities.

Corporate Governance Report *(continued)*

Section 172 Statement

The Wates Corporate Governance Principles for Large Private Companies provides a framework for the Group to demonstrate how the Board makes decisions for the long-term success of the company and its stakeholders. It also helps demonstrate how the Board ensures that the Group complies with the requirements of s172(1)(a) to (f) of the Companies Act 2006 as more particularly set out below:

(a) the likely consequences of any decision in the long-term
See commentary on principles 1, 2, 3, 4 and 6 in the Corporate Governance section of the Directors' Report

(b) the interests of the company's employees
See commentary on principles 4, 5 and 6 in the Corporate Governance section of the Directors' Report

(c) the need to foster business relationships with suppliers, customers and others
See commentary on principle 6 in the Corporate Governance section of the Directors' Report

(d) the impact of the company's operations on the community and the environment
See commentary on principles 1 and 6 in the Corporate Governance section of the Directors' Report

(e) the desirability of the company maintaining a reputation for high standards of business conduct
See commentary on principles 1 and 3, 4 and 6 in the Corporate Governance section of the Directors' Report

(f) the need to act fairly as between members
See commentary on principles 1, 2 and 3 in the Corporate Governance section of the Directors' Report

Throughout 2026, the Board will continue to review and challenge how the Group can improve engagement with each of its stakeholders and will continue to seek to promote the success of the company in each decision, having regard, at all times, to each of the factors set out in s172 of the Companies Act 2006.

STATEMENT OF DIRECTORS' RESPONSIBILITIES IN RESPECT OF THE STRATEGIC REPORT, THE DIRECTORS' REPORT AND THE FINANCIAL STATEMENTS

The directors are responsible for preparing the Strategic Report, the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK accounting standards and applicable law (UK Generally Accepted Accounting Practice), including FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland.*

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- assess the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and
- use the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error, and have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Company and to prevent and detect fraud and other irregularities.

Under applicable laws and regulations, the directors are also responsible for preparing a Strategic Report and a Directors' Report that complies with the law and those regulations.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF ODEON CINEMAS LIMITED

Opinion

We have audited the financial statements of Odeon Cinemas Limited for the year ended 31 December 2025 which comprise Profit and Loss Account, the Balance Sheet, the Statement of comprehensive income, the Statement of changes in equity and the related notes 1 to 28, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the company's affairs as at 31 December 2025 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard as applied to other entities of public interest, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate. Our evaluation of the directors' assessment of the company's ability to continue to adopt the going concern basis of accounting included the follow:

- We assessed the Company's going concern risks and assessment process including its reliance on financial support from its parent undertaking, Odeon Cinemas Group Limited ('OCGL'), and ultimately the US parent undertaking, AMC Entertainment Holdings, Inc. ('AMC') to service the external debt.
- We obtained management's going concern assessment, including the Odeon Cinemas Group Limited group cashflow forecast, which is the basis for the Company's reliance throughout the going concern period which covers the period to 31 July 2027.
- We evaluated the impact of the recent refinancing completed by Odeon Finco plc, a subsidiary of Odeon Cinemas Group Limited, on the group cashflow forecast including a review of compliance against a new minimum cash requirement across the group. The group remains in compliance with this covenant throughout the going concern period.
- We evaluated the appropriateness of the methodology used as well as the calculations within management's cash flow forecast. We have tested the factors and assumptions included within the cashflow forecast calculation, including the facilities available to AMC. We tested management's assumptions within the cash flow by obtaining supporting evidence for assumptions used and applied sensitives to determine whether the methods used were appropriately sophisticated to be able to make an assessment for the entity.
- We obtained a copy of the letter of support provided by AMC and confirmed that the period referenced was consistent with the going concern period to 31 July 2027 reviewed and that the letter of support provided by AMC was unconditional.
- We held discussions with the EY audit team who conducted the audit work on the AMC going concern assessment. We obtained, and reviewed the audit work conducted, including consideration of the appropriateness of the methods used to calculate the cashflow forecasts, the covenant calculations and the sufficiency of the headroom and ability to support the Company.

- **Conclusions relating to going concern** – *(continued)*

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period to 31 July 2027.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report. However, because not all future events or conditions can be predicted, this statement is not a guarantee as to the company's ability to continue as a going concern.

- **Other information**

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information contained within the annual report.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in this report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of the other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the strategic report and the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and directors' report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the strategic report or directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of directors

As explained more fully in the directors' responsibilities statement set out on page 11, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF ODEON CINEMAS LIMITED *(continued)*

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Explanation as to what extent the audit was considered capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect irregularities, including fraud. The risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below. However, the primary responsibility for the prevention and detection of fraud rests with both those charged with governance of the entity and management.

- We obtained an understanding of the legal and regulatory frameworks that are applicable to the company and determined that the most significant are those that relate to the reporting framework (FRS 102 and the Companies Act 2006) and the relevant direct and indirect tax compliance regulations in the United Kingdom. In addition, the Company has to comply with laws and regulations relating to its operations, anti-bribery and corruption regulations and GDPR.
- We understood how Odeon Cinemas Limited is complying with those frameworks by making enquiries of management and those responsible for legal and compliance procedures, including the Chief Legal & Compliance Officer. We corroborated our enquiries through reading the minutes of board meetings and those of the senior leadership team.
- We assessed the susceptibility of the company's financial statements to material misstatement, including how fraud might occur by considering the risk of management override. Where the risk was considered to be higher, we performed audit procedures to address each identified risk. These procedures included journal entry testing by selecting samples from the entire population of journals; identifying transactions that did not meet our expectations based on specified criteria and investigating these to gain an understanding and agreement to source documentation.
- Based on this understanding we designed our audit procedures to identify noncompliance with such laws and regulations. Our procedures involved enquiry of senior management, and when applicable, those charged with governance, and reviewing of board meeting minutes to identify any non-compliance. We also verified that the Company's material transactions were recorded in compliance with FRS 102 and, where appropriate, the Companies Act 2006.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at https://www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Notes

(forming part of the financial statements)

1 Accounting policies

Odeon Cinemas Limited (the "Company") is a company limited by shares and incorporated, domiciled and registered in England & Wales in the UK. The registered number is 1854132 and the registered address is 8th Floor, 1 Stephen Street, London, W1T 1AT.

The Company is exempt by virtue of s401 of the Companies Act 2006 from the requirement to prepare group financial statements. These financial statements present information about the Company as an individual undertaking and not about its group.

These financial statements were prepared in accordance with Financial Reporting Standard 102 *The Financial Reporting Standard* applicable in the UK and Republic of Ireland (*"FRS 102"*). The presentation currency of these financial statements is sterling. All amounts in the financial statements have been rounded to the nearest £1,000.

A parent of the Company, AMC, includes the Company in its consolidated financial statements. Those consolidated financial statements are drawn up in a manner equivalent to consolidated accounts and consolidated annual returns drawn up in accordance with the provision of the Seventh Directive (83/349/EEC). The consolidated financial statements (Form 10-K) of AMC are available to the public and may be obtained from Securities and Exchange Commission, Washington, DC 20549, USA. In these financial statements, the Company is considered to be a qualifying entity (for the purposes of this FRS) and has applied the exemptions available under FRS 102 in respect of the following disclosures:

- Reconciliation of the number of shares outstanding from the beginning to end of the period as required by paragraph 4.12(a)(iv) of FRS 102;
- Cash Flow Statement and related notes as required by paragraph 3.17(d) of FRS 102; and
- Key Management Personnel compensation as required by paragraph 33.7 of FRS 102.

As the consolidated financial statements of AMC Entertainment Holdings, Inc. include the equivalent disclosures, the Company has also taken the exemptions under FRS 102 available in respect of the following disclosures:

- Certain disclosures required by FRS 102.26 *Share Based Payments*

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the financial statements.

1.1 Measurement convention

The financial statements are prepared on the historical cost basis.

1.2 Going concern and liquidity management

Liquidity management is performed on a group-wide basis for Odeon Cinemas Group ("the Group"), of which the Company is a member, by regularly forecasting and assessing the cashflows of the Group on a country-by-country basis and maximising the cash that is available, whilst complying with any related local legal or regulatory requirements.

OCGL, an indirect parent of the Company, acts as the treasury company of the Group and makes financing available to the subsidiaries of the Group via intercompany loan facility agreements and/or capital contributions. To enable this, OCGL obtains financing from Finco, its direct subsidiary, and from AMC EMEA, a subsidiary of the ultimate parent company, AMC.

The Directors have prepared Group cash flow forecasts for the period to 31 July 2027 (the "Review Period"), including scenarios that consider severe but plausible downsides and covenant compliance throughout the Review Period. These forecasts indicate that the Group will continue to be reliant on funding from AMC for the Review Period.

Notes *(continued)*

1 Accounting policies *(continued)*

1.2 Going concern and liquidity management (continued)

OCGL and all subsidiaries within the Group including the Company, have received a letter of support from AMC which confirms that AMC has the ability to and will provide the financial support required for the Group to meet its liabilities as and when they fall due for the period to 31 July 2027.

In forming their conclusion, the Directors have also reviewed the cashflow forecasts and going concern evaluation of AMC for the Review Period and are comfortable, based on this information, that it is reasonable to expect that AMC will be able to meet its obligations as they become due within the Review Period.

On this basis, the Directors have a reasonable expectation that the support from AMC will continue to be available for the Review Period. Accordingly, the Directors have prepared the financial statements on the going concern basis.

1.3 Foreign currency

Transactions in foreign currencies are translated to the Company's functional currency at the foreign exchange rate ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies at the balance sheet date are retranslated to the functional currency at the foreign exchange rate ruling at that date. Non-monetary assets and liabilities that are measured in terms of historical cost in a foreign currency are translated using the exchange rate at the date of the transaction. Non-monetary assets and liabilities denominated in foreign currencies that are stated at fair value are retranslated to the functional currency at foreign exchange rates ruling at the dates the fair value was determined. Foreign exchange differences arising on translation are recognised in the profit and loss account.

1.4 Basic financial instruments

Trade and other debtors / creditors

Trade and other debtors are recognised initially at transaction price and are subsequently measured at amortised cost, less impairment losses.

Trade and other creditors are recognised initially at transaction price and are subsequently measured at amortised cost.

Where payment terms extend beyond normal business terms such that the arrangement constitutes a financing transaction, balances are measured at the present value of future payments discounted at a market rate of interest.

Interest-bearing borrowings classified as basic financial instruments

Interest-bearing borrowings are recognised initially at the present value of future payments discounted at a market rate of interest. Subsequent to initial recognition, interest-bearing borrowings are stated at amortised cost using the effective interest method, less any impairment losses.

Investments

Investments held as fixed assets are stated at cost less provisions for any impairment.

1.5 Key sources of estimation uncertainty

The following has been identified as a key area of estimation uncertainty for the Company:

Impairment of non-financial assets

The Company assesses at each reporting date whether an asset may be impaired. If any such indication exists, the Company estimates recoverable amount of the individual asset. The recoverable amount of the asset is the higher of its fair value less costs to sell and its value in use. If the recoverable amount is less than its carrying amount, the carrying amount of the asset is impaired and it is reduced to its recoverable amount through an impairment in the profit and loss account. An impairment loss recognised is reversed in a subsequent period only if the reasons for the impairment have ceased to apply.

The fair value less costs to sell and value in use are determined using a discounted cashflow model based on the latest 5-year forecasts. The recoverable amount is most sensitive to the discount rate, cashflows and growth rate. See note 12 for the key assumptions used.

Notes *(continued)*

1 Accounting policies *(continued)*

1.6 Tangible fixed assets

Tangible fixed assets are stated at cost less accumulated depreciation and accumulated impairment losses.

Where parts of an item of tangible fixed assets have different useful lives, they are accounted for as separate items of tangible fixed assets, for example land is treated separately from buildings.

Leases in which the Company assumes substantially all the risks and rewards of ownership of the leased asset are classified as finance leases. All other leases are classified as operating leases. Leased assets acquired by way of finance lease are stated on initial recognition at an amount equal to the lower of their fair value and the present value of the minimum lease payments at inception of the lease, including any incremental costs directly attributable to negotiating and arranging the lease. At initial recognition a finance lease liability is recognised equal to the fair value of the leased asset or, if lower, the present value of the minimum lease payments. The present value of the minimum lease payments is calculated using the interest rate implicit in the lease. Lease payments are accounted for as described at 1.12 below.

The Company assesses at each reporting date whether tangible fixed assets (including those leased under a finance lease) are impaired. An impairment would be recorded when an assets carrying amount exceeds its recoverable value. The recoverable value is the higher of the assets fair value less cost to sell and its value in use.

Depreciation is charged to the profit and loss account on a straight-line basis over the estimated useful lives of each part of an item of tangible fixed assets. Leased assets are depreciated over the shorter of the lease term and their useful lives. The estimated useful lives or depreciation rate are as follows:

- Freehold buildings - 50 years
- Long leasehold property - over the period of the lease to a maximum of 50 years
- Short leasehold property - over the period of the lease
- Plant, fixtures and fittings - 3 – 20 years

Land is not depreciated. Assets under construction (the construction and redevelopment of cinemas) are not depreciated as these assets are not available for use in the business.

Depreciation methods, useful lives and residual values are reviewed if there is an indication of a significant change since the last annual reporting date in the pattern by which the Company expects to consume an asset's future economic benefits.

1.7 Stocks

Stocks are stated at the lower of cost and net realisable value.

1.8 Impairment

The carrying amounts of the Company's assets are reviewed for impairment when events or changes in circumstances up to the year end indicate that the carrying amount of the fixed assets of income-generating units may not be recoverable. Indications include the recognition of an onerous lease provision in relation to specific income-generating units. If this or any other such indication exists, the recoverable amount is estimated and an appropriate impairment loss is recognised.

Reversals of impairment

An impairment loss is reversed where the recoverable amount increases as a result of a change in economic conditions or in the expected use of the asset.

An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

Notes *(continued)*

1 Accounting policies *(continued)*

1.9 Employee benefits

Defined contribution plans and other long term employee benefits

A defined contribution plan is a post-employment benefit plan under which the Company pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. The Company operates a defined contribution pension scheme. The assets of the scheme are held separately from those of the Company in an independently administered fund. Obligations for contributions to defined contribution pension plans are recognised as an expense in the profit and loss account in the periods during which services are rendered by employees. The amount charged to the profit and loss account represents the contributions payable to the scheme in respect of the accounting period.

Defined benefit plans

The Company operates a pension scheme providing benefits based on final pensionable pay. The assets of the scheme are held separately from those of the Company. The scheme has been closed to future benefit accrual for a number of years.

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The entity's net obligation in respect of defined benefit plans is calculated by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value. The fair value of any plan assets is deducted. The entity determines the net interest expense/income on the net defined benefit liability/asset for the period by applying the discount rate as determined at the beginning of the annual period to the net defined benefit liability/asset taking account of changes arising as a result of contributions and benefit payments.

The discount rate is the yield at the balance sheet date on AA credit rated bonds denominated in the currency of, and having maturity dates approximating to the terms of the Company's obligations. A valuation is performed annually by a qualified actuary using the projected unit credit method. The Company recognises net defined benefit plan assets to the extent that it is able to recover the surplus either through reduced contributions in the future or through refunds from the plan.

Changes in the net defined benefit liability arising from employee service rendered during the period, net interest on net defined benefit liability, and the cost of plan introductions, benefit changes, curtailments and settlements during the period are recognised in profit or loss.

Remeasurement of the net defined benefit liability/asset is recognised in the statement of other comprehensive income.

1.10 Provisions

A provision is recognised in the balance sheet when the Company has a present legal or constructive obligation as a result of a past event, that can be reliably measured and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are recognised at the best estimate of the amount required to settle the obligation at the reporting date.

1.11 Turnover

Turnover represents amounts charged to customers for goods, services and property rental income, stated net of value added tax. Box office revenue is recognised on the date of film showing, food and beverage revenue at the point of sale, and screen advertising and rental income over the period which the income relates to. Gift card revenue is recognised on redemption and via breakage to reflect expiry of unused gift cards.

Notes *(continued)*

1 Accounting policies *(continued)*

1.12 Expenses

Operating leases

Rental costs under operating leases are charged to the profit and loss account over the period of the lease on a straight line basis. Certain leases contain inflation-driven rental uplifts with pre-determined minimums and the amount payable in respect of these uplifts is charged to the profit and loss account as it arises. Lease incentives received are recognised in profit and loss over the term of the lease as an integral part of the total lease expense.

Provision is made for lease commitments on certain leasehold properties based on the expected exposure. The amount provided is based either on the future rental net of risk adjusted anticipated operating profit from trading, discounted using a risk free discount rate, or management's best estimate of the expected exposure. Provision is made for the remaining period of the leases identified, subject to a maximum of 25 years, after which the directors consider the impact of discounting upon the rental and trading projections renders them immaterial.

Finance leases

Leases in which the entity assumes substantially all the risks and rewards of ownership of the leased asset are classified as finance leases. Assets acquired under finance leases are capitalised and the outstanding future lease obligations are shown in creditors.

Minimum lease payments are apportioned between the finance charge and the reduction of the outstanding liability using the rate implicit in the lease. The finance charge is allocated to each period during the lease term so as to produce a constant periodic rate of interest on the remaining balance of the liability.

Exceptional items

In order for items to be classified as exceptional in the financial statements, they must be significant in value and be one-off or non-recurring.

Pre-opening costs

Operating costs incurred before a new cinema is opened are written off to the profit and loss account as incurred.

Interest receivable and interest payable

Interest payable and similar charges include interest payable to parent undertakings, finance leases recognised in profit or loss using the effective interest method, unwinding of the discount on provisions and net foreign exchange losses that are recognised in the profit and loss account (see foreign currency accounting policy). Interest receivable and similar income includes interest receivable on loans with parent undertakings and joint ventures, bank interest receivable and net foreign exchange gains.

Interest income and interest payable are recognised in profit or loss as they accrue, using the effective interest method. Foreign currency gains and losses are reported on a net basis.

1.13 Taxation

Tax on the profit or loss for the year comprises current and deferred tax. Tax is recognised in the profit and loss account except to the extent that it relates to items recognised directly in equity or other comprehensive income, in which case it is recognised directly in equity or other comprehensive income.

Current tax is the expected tax payable or receivable on the taxable income or loss for the year, using tax rates enacted or substantively enacted at the balance sheet date, and any adjustment to tax payable in respect of previous years.

Deferred tax is provided on timing differences which arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in the financial statements. Deferred tax is measured at the tax rate that is expected to apply to the reversal of the related difference, using tax rates enacted or substantively enacted at the balance sheet date. Deferred tax balances are not discounted.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that is it probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Notes *(continued)*

2 Turnover

	2025 £000	2024 £000
Admissions revenue	**126,229**	119,955
Food & beverage revenue	**64,273**	64,927
Screen advertising income	**9,344**	9,089
Other revenues	**21,386**	17,072
Total turnover	**221,232**	211,043

3 Directors' remuneration

	2025 £000	2024 £000
Directors' remuneration	**1,912**	1,571
Company contributions to defined contribution pension schemes	**123**	116
	2,035	1,687

In both the current and the prior year the directors' emoluments were borne by the Company. Remuneration is recharged across the Group based on turnover. The total remuneration across the Group of the highest paid director was £1,339,000 *(2024: £1,138,000)*.

	Number of directors 2025	2024
Retirement benefits were accrued to the following number of directors under: Defined benefit schemes	-	-
The number of directors in respect of whose service shares were received or receivable under long-term incentive schemes	**4**	4

Notes *(continued)*

4 Loss before taxation

	2025 £000	2024 £000
Loss before taxation is stated after charging/(crediting):		
Depreciation:		
- Leased assets	-	-
- Owned assets	**22,854**	22,293
Loss on disposal of fixed assets	**364**	95
Operating lease rentals:		
- Property	**47,369**	42,435
Exceptional items:		
- Net operating expense: change in provision for onerous lease commitments	**3,524**	5,985
- Net operating expense: net charge relating to impairment of tangible assets	**2,689**	1,165
- Net operating expense: net charge of impairment of investment	**-**	3,377
- Net operating expense: severance payments	**35**	169
- Net operating expense: stock compensation / EIP vesting / professional fees	**603**	972

Auditor's remuneration:

In 2025, the Company's share of the audit of these financial statements was £79,000 *(2024: £78,000)*.

5 Exceptional items

The onerous lease provision was revised to reflect the current estimate resulting in a net exceptional cost to the Profit and Loss Account of £3,524,000 *(2024: £5,985,000)*.

The exceptional net charge relating to the impairment of tangible assets totalled £2,689,000 *(2024: £4,542,000)*, including an impairment of OCL's investment in Odeon Cinemas (RL) Limited of £nil *(2024: £3,377,000)* and an impairment of tangible assets of £2,689,000 *(2024: £1,165,000)*.

Severance payments of £35,000 have been made during the year *(2024: £169,000)*.

Stock compensation, EIP vesting and professional fees incurred relating to one off accounting projects and other projects amounted to an exceptional charge to the Profit and Loss Account of £603,000 *(2024: £972,000)*.

Notes *(continued)*

6 Staff numbers and costs

The average number of persons employed by the Company (including directors) during the year was as follows:

	Number of employees	
	2025	2024
Cinema & other	**2,477**	2,398
Administration	**365**	385
	2,842	2,783

The aggregate payroll costs of these persons were as follows:

	2025	2024
	£000	£000
Wages and salaries	**55,997**	51,350
Social security costs	**5,901**	3,608
Pension costs	**3,173**	2,981
	65,071	57,939

7 Interest receivable and similar income

	2025	2024
	£000	£000
Interest receivable from fellow subsidiary undertakings	**722**	676
Interest receivable on loans with Joint Ventures	**65**	64
Foreign exchange gains	**291**	-
Bank interest receivable	**239**	340
Other interest	**13**	11
	1,330	1,091

8 Interest payable and similar expenses

	2025	2024
	£000	£000
Interest payable to parent undertakings	**22,018**	18,557
Interest on finance leases	**49**	6
Unwinding of discount on provisions	**680**	373

Total tax expense included in profit or loss	-	-

The UK corporation tax rate of 25% (*2024: 25%*), which was enacted at the reporting date and applies to the relevant accounting periods, has been used in calculating the Company's current tax charge and in the measurement of deferred tax, where applicable.

The Group is within the scope of the OECD Pillar Two rules, which were enacted in the UK and other relevant jurisdictions of the Group with effect from 1 January 2024. Pillar Two may result in a top-up tax where entities are subject to an effective tax rate of less than 15%, as determined under the Pillar Two rules. Based on a preliminary assessment of the Transitional Safe Harbour provisions using 2025 accounting data, the Company and the Group are expected to qualify for at least one Safe Harbour. Accordingly, no material Pillar Two top-up tax exposure is expected.

At 31 December 2024	247	87,198	55,082	1,460	143,987

The net book value of land and buildings comprises:

	2025 £000	2024 £000
Freehold	**240**	247
Leasehold	**84,916**	87,198
	85,156	87,445

As at 31 December 2025, a review was performed to establish whether or not there were any indications of impairment to the carrying amount of tangible fixed assets. The review concluded that an impairment charge of £3,600,000 *(2024: £2,080,000)* and a reversal of an impairment charge of £911,000 *(2024: £915,000)* was required for sites included in the onerous lease provision. The approach to asset impairment reviews is described in more detail in note 1.8.

Notes *(continued)*

12 Investments

	Investments in subsidiary undertakings £000
Balance at 1 Jan 2025	6,090
Balance at 31 December 2025	**6,090**

The undertakings in which the Company had an interest at the year-end are shown below. At 31 December 2025, all interests are direct.

At the year end, a recoverability assessment was performed on the carrying value of the investment using the forecast cashflows of the underlying subsidiaries of the group. The recoverable amount was determined using a discounted cash flow model, based on the latest five-year forecasts and a terminal value calculation, using a discount rate of 10.5% and a long-term growth assumption of 3% in the terminal value calculation.

Accordingly, an impairment loss of £nil *(2024: £3.4m)* has been recognised in the profit and loss account.

Name	Registered office address	% interest	Nature of business

Amounts owed to parent undertakings	GBP	12.1%	2.9	**105,654**	174,033

19 Deferred tax assets and liabilities

A deferred tax asset of £57,732,000 *(2024: £51,686,000)* has not been recognised on the basis that the Company is not expected to generate sufficient taxable profits in future years that will not be covered by group relief with which to offset losses.

20 Provisions for liabilities

	Onerous lease provision £000
Balance at 1 January 2025	15,718
Unwinding of discount	680
Amount utilised during the year	(2,526)
Adjustment to year-end provision	3,524
Balance at 31 December 2025	**17,396**

Onerous lease provision

Provision has been made for lease commitments and claims relating to property. The amounts provided are based on the future rental obligations, net of anticipated operating profit from trading (risk adjusted as appropriate) discounted to present value at a discount rate of 4.6% *(2024: 4.6%)*. Given the long-term nature of the leases and the estimates involved in its calculation, there is inherent uncertainty attached to the provision. The leases included within the provision have end dates between September 2026 and April 2044.

21 Employee benefits

The Company participates in a defined benefit scheme, the Optima 2 Pension Scheme (the "Optima 2 plan"), and one defined contribution scheme (the Odeon DC Stakeholder Pension Scheme). Assets of the schemes are held separately from those of the Company in independently administered funds.

Notes *(continued)*

21 Employee benefits *(continued)*

Defined benefit scheme

The information disclosed below is in respect of the whole of the plans for which the Company is either legally responsible or has been allocated a share of cost under an agreed group policy throughout the periods shown.

Net pension asset

The principal assets, liabilities and movements included in these financial statements for the defined benefit scheme are summarised as follows:

	2025	2024
	£000	£000
Defined benefit obligation	**(22,959)**	(22,470)
Plan assets	**26,909**	28,021
Surplus	**3,950**	5,551
Effect of asset ceiling	**(3,950)**	(5,551)
Net pension asset recognised	**-**	-
Income recognised in other comprehensive income	**401**	493

The fair value of the scheme's assets, which are not intended to be realised in the short term and may be subject to significant change before they are realised, and the present value of the schemes' liabilities, which are derived from cash flow projections over long periods and thus inherently uncertain, are shown in the table above.

The Optima 2 plan is closed to new members and is closed to future accrual from 1 January 2009. The latest full actuarial valuation for the Optima 2 Plan was carried out at 31 December 2024 and was updated for FRS 102 purposes to 31 December 2025 by a qualified independent actuary.

The Company employs a building block approach in determining the long-term rate of return on pension plan assets. Historical markets are studied and assets with higher volatility are assumed to generate higher returns consistent with widely accepted capital market principles. The assumed long-term rate of return on each asset class is set out within this note. The overall expected rate of return on assets is then derived by aggregating the expected return for each asset class over the actual asset allocation.

Movements in present value of defined benefit obligation

	2025	2024
	£000	£000
At 1 January 2025	**22,470**	24,973
Interest expense	**1,214**	1,166
Actuarial (gain)/loss on scheme liabilities	**(184)**	(2,370)
Effect of experience adjustments	**1,025**	75
Benefits paid	**(1,566)**	(1,374)
At 31 December 2025	**22,959**	22,470

Notes *(continued)*

21 Employee benefits *(continued)*

Movements in fair value of plan assets

	2025 £000	2024 £000
At 1 January 2025	**28,021**	31,911
Interest income	**1,514**	1,487
Actuarial (loss)/gain on scheme assets	**(670)**	(3,522)
Administrative expenses paid from plan assets	**(390)**	(481)
Benefits paid	**(1,566)**	(1,374)
At 31 December 2025	**26,909**	28,021

Expense recognised in the profit and loss account

	2025 £000	2024 £000
Interest expense on defined benefit obligation	**1,214**	1,166
Interest income on plan assets	**(1,514)**	(1,487)
Interest expense on effect of asset ceiling	**311**	333
Administrative expenses	**390**	481
	401	493

Income recognised in other comprehensive income

	2025 £000	2024 £000
Return on plan assets (excluding interest income)	**(670)**	(3,522)
Effect of changes in assumptions	**184**	2,370
Effect of experience adjustments	**(1,025)**	(75)
Changes in asset ceiling (excluding interest income)	**1,912**	1,720
	401	493

The fair value of the plan assets and the return on those assets were as follows:

	2025 Fair value £000	2024 Fair value £000
Fair value of plan assets:		
Equity instruments	**-**	-
Debt instruments	**26,793**	27,647
Cash and cash equivalents	**116**	27
Real estate	**-**	-
Other	**-**	347
Total	**26,909**	28,021
Actual return on plan assets	**844**	(2,035)

Notes *(continued)*

21 Employee benefits *(continued)*

Principal actuarial assumptions (expressed as weighted averages) at the year-end were as follows:

	2025 %	2024 %
Discount rate	**5.6**	5.6
Rate of increase in salaries	**2.6**	2.7
Rate of increase in pensions-in-payment	**2.8**	2.9
Rate of increase in pensions in deferred pensions	**2.6**	2.7
Inflation assumption	**2.9**	3.1

The mortality assumptions are based on standard mortality tables which allow for future mortality improvements. The assumptions are that a member currently aged 65 will live on average for a further 21.2 years *(2024: 21.4 years)*.

For a member aged 40 in 2024, retiring in 25 years' time, the assumptions are that they will live on average for a further 23.3 years *(2024: 23.4 years)* after retirement.

The pension cost relating to the defined benefit scheme is assessed in accordance with the advice of independent qualified actuaries using the projected unit method. As the Optima 2 plan is closed to new members and future accrual, the current service cost is nil. The Company was not required to make any special deficit reduction contributions in the year *(2024: £nil)*. These rates are subject to review at future actuarial valuations.

In June 2023, the High Court in the UK issued a ruling in respect of Virgin Media Limited v NTL Pension Trustees II Limited, that decided certain amendments were invalid when amending contracted-out salary-related defined benefit pension plans in the period from April 6, 1997 until April 6, 2016, if these amendments were not accompanied by actuarial confirmations (section 37 certificates). An appeal on this decision was heard in June 2024 and The Court of Appeal ruled in July 2024 that the appeal was unsuccessful, i.e., it upheld the original High Court judgment, removing uncertainty around its application. In light of the ruling, the Company initiated an investigation with its pension trustees, of all known amendments to its two UK defined benefit pension plans during the affected period, with a view to determining whether section 37 certificates have been obtained where deemed required. The initial review concluded that across the two plans there are three documents where a section 37 certificate may have been required but the amendment document is silent. In June 2025, the UK government announced it will introduce legislation to give pension plans the ability to retrospectively obtain written actuarial confirmations that historic benefit changes met the necessary standards. This therefore provides clarity around plan liabilities and member benefit levels. On September 1, 2025, the UK government published the bill with these amendments. This legislation will not be in place until it has received royal assent, which is expected to occur in 2026. The Company will continue to monitor this change in legislation and assess any further reviews and potential retrospective confirmation with the trustees in due course.

Defined contribution plans

The pension contributions in respect of the Odeon UK Group DC Stakeholder Pension Scheme during the year ended 31 December 2025 were £3,173,000 *(2024: £2,981,000)*. As at 31 December 2025, there were £422,000 *(2024: £506,000)* outstanding contributions to be made to the Odeon UK Group DC Stakeholder Pension Scheme.

22 Capital

Share capital

Ordinary shares of £1 each	**Share Capital**	
	No. ('000)	**£000**
Allotted, called up and fully paid:		
At 1 January 2025	25,006	25,006
At 31 December 2025	**25,006**	**25,006**

On 18 December 2025, the Company issued 10 ordinary shares of £1 each, together with share premium, in exchange for the assignment of intercompany debt totalling £95,000,000.

Notes *(continued)*

22 Capital *(continued)*

The holders of ordinary shares are entitled to receive dividends as declared from time to time and are entitled to attend, speak and vote at meetings of the Company (one vote per share).

Dividends

After the balance sheet date, no dividends *(2024: £nil)* were proposed by the directors.

23 Operating leases

Non-cancellable operating lease rentals are payable as follows:

	2025	2024
	£000	£000
Less than one year	**47,855**	45,234
Between one and five years	**174,630**	169,268
More than five years	**258,583**	267,219
	481,068	481,721

During the year £47,250,000 was recognised as an expense in the profit and loss account in respect of operating leases *(2024:* £42,435,000*)*.

24 Commitments, contingencies & guarantees

The Company has no contractual commitments relating to the building of new sites at the end of the financial year for which no provision has been made *(2024: £nil)*.

The Company had no capital commitments at the financial year end *(2024: £nil)*.

As at 31 December 2025, the Company (along with certain other companies of the Odeon Cinemas Group), as continuing security for the payment and discharge of the Odeon Notes due 2027, had charges in favour of US Bank Trust Company, National Association (as Security Agent for itself and the other secured parties) with full title guarantee over certain assets; including shares in all other guarantors, bank accounts, intercompany receivables, certain intellectual property rights and certain other assets including a customary floating charge.

Notes *(continued)*

25 Related parties

Identity of related parties with which the Company has transacted

The Company is charged or charges interest on any outstanding loan balances due to/from companies within the Group.

The Company has taken advantage of the exemption in paragraph 33.1A of FRS 102 *Related Party Disclosures* not to disclose transactions with wholly-owned subsidiaries within the same group.

Other related party transactions

	Sales to		Administrative expenses incurred from

26 Accounting estimates and judgements

Key sources of estimation uncertainty

The Directors consider the amounts provided in relation to onerous leases and the defined benefit pension scheme to be areas of significant judgement and estimation. Details regarding the carrying values involved and the key assumptions made are discussed further for onerous leases in note 20 and for the defined benefit pension scheme in note 21.

27 Post balance sheet events

On 17 April 2026, Odeon notes due 2027 were redeemed in full following a refinancing undertaken by a fellow group undertaking. In connection with the refinancing, the Company entered into guarantee and security arrangements in support of the new group financing facilities. The nature of the guarantees and security provided is consistent with that in place under the previous financing arrangements.

28 Ultimate parent company and controlling party

AMC is the ultimate parent undertaking of the Company.

No one entity or individual has control of, or significant influence over, AMC.

The results of this Company are consolidated into the results of AMC. The registered office is 11500 Ash Street, Leawood, KS 66211, USA. The consolidated financial statements of this group are available to the public and can be obtained from http://investor.amctheatres.com/sec-filings. AMC is both the smallest and largest Group of which the Company is a member and for which group financial statements are prepared.
