Dear Customer

Further to your recent application for an official copy, unfortunately no copy of the document is held by HM Land Registry. I apologise for the inconvenience this will cause but, although the said document is referred to within the body of another deed lodged for registration, there is nothing in the register to suggest that the deed or a copy of it was retained at the time of registration. That may be because no copy was supplied or it contained no matters that necessitated entry in the register.

If you would like to discuss this correspondence or require it in an alternative format please contact Customer Support, quoting our reference on 0300 006 0411 (0300 006 0422 for a Welsh-speaking service) with your query.
